

Arizona Integrated Services for CYSHCN Task Force

Office for Children with Special Health Care Needs Integrated Services Grant Overview

Presented by

Jacquilyn Kay Cox, PhD

Principle Investigator

10/13/05

Overview

- Philosophy of integration
- Components of the grant
- Data Projects
- Outcomes

Integration: The new buzz word

- Integrate what
- Why now
- What is the expected impact/outcome
- Unifying themes
 - National Performance Measures
 - Community-based
 - Family-centered
 - Parent and youth driven

Current Integration Activities

- Universal Application (DES, OWCH, OCSHCN)
- Integrating Physical and Behavioral Health Services for Children and Adolescents (Mountain Park Community Health Center)
- Early Childhood Comprehensive Systems Grant (OWCH)
- HealthQuery (ASU)
- Transition Leadership Team (Department of Education)
- 211 (ADHS/AHCCCS)

Integrated Service Grant Overview

- Integrated Task Force
- Medical Home Project
- Outcomes

Integrated Task Force

- Purpose
 - Provide a statewide forum
- Participants
 - State and local agencies
 - Community organizations
 - Providers
 - Families and youth
- Expected Outcomes
 - Report to the Governor

Subcommittees

- Education and Training
- Cultural Competency
- Specialty Services
- Funding
- Quality Improvement
- Parent Action Council
- Youth Action Council
- Community Development Initiative

Education and Training Committee

- Provide statewide coordination of the educational activities
- Ensure consistency, competency, and efficiency
- Implement e-learning system

Quality Improvement Committee

- Develop and monitor data collection systems
- Establish specific performance measures
- Identify barriers to the completion of tasks
- Provide oversight to any clinical activities

Specialty Services Committee

- Make recommendations on an integrated telehealth system for Arizona
- Partners
 - University of Arizona
 - CRS Regional Contractors
 - ADHS/Behavioral Health
 - Indian Health Services

Funding Committee

- Streamline application, eligibility, and funding for services for children and youth with special health care needs
 - Universal Application
 - Blended and Funding

Parent Action Council

- Parents of CYSHCN and professionals from local communities will provide input to the Arizona Integrated Services Task Force on community-based activities
- Partners
 - ADHS/OCSHCN community-based teams
 - Arizona Department of Corrections family members
 - Partners in Policy Making
 - Advocacy groups

Youth Council

- Develop educational and resource materials on transition
- Serve as a clearinghouse of information on transition
- Develop Community Adolescent Health Profiles
- Partners
 - Governor's Council on Developmental Disabilities
 - ADHS/Behavioral Health Services
 - Arizona Department of Corrections
 - Arizona Department of Education/Transition Leadership Team

Community Development Initiative

- Provide updates to task force
 - Strategic plans
 - Implementation activities
 - New teams
 - Sustainability
- Partners
